ICP Medical PPE Organizers

Personal Protection Equipment (PPE) has become a critical component in today's environment. Quick and easy access to PPE can protect workers and aid in meeting an organization's compliance goals. Choose from 34 configurations and three colors with hundreds of possible bin combinations to meet your unique needs.

Customizable:

Fully customizable to organize what you want, where you want it and can be reconfigured if your needs change. In addition to storing the standard gloves, masks and gowns, these organizers can be fitted with sign clips, coat hooks, supply bins or other brackets to hold anything you may need.

Accessible:

The open design allows staff and guests to find the exact protection they need and makes it easy to see when an item needs to be restocked.

Durable:

Made of high-grade materials that will withstand years of harsh treatment.

Available in Clear, Grey and Beige
